L and E used Furniture  
2705 West Kearney  
866-1969

For children:

Contact the records office of Springfield public schools (417-523-0005) to find your school district. Go to that school and enroll at the administration office. They will set up an individual education plan by assessing your children's needs. If your children speak little or no English they have a special program at McGregor elementary and will bus your children to that school if it isn't in your district.

For spouses:

English as a second language classes may be taken at the English Language Institute of Missouri State University (417-836-6540). <http://morriscenter.missouristate.edu/eli/>
