

**SUPPLEMENTAL STATEMENT OF RESPONSIBILITY
RELEASE, AND INDEMNIFICATION AGREEMENT**

I am a student at Missouri State University, and I plan to participate in an education abroad program in a country that is a restricted travel area based on [MSU's policy on travel to restricted travel areas](#). I have previously read, understood, and executed a *Statement of Responsibility, Release, Waiver of Liability and Hold Harmless Agreement* on my on-line Education Abroad application. In addition to the terms set forth in that Agreement, which I again affirm, I also agree as follows:

(1) I have read the United States State Department travel advisory and the CDC warning for the country in which I will travel, as well as other health and safety information related to this country. I am aware of the safety and security precautions listed on the State Department and CDC advisory/warning.

(2) I voluntarily assume all risks and full responsibility for any loss, liability, damages, or personal injuries to me as a result of my participation in this program. I represent that I have discussed this program and its location with my parents and represent that they have concurred in my decision to participate.

(3) I hereby release the Board of Governors of Missouri State University and its Board members, faculty, employees, and agents (the "University") from any and all liability which occurs as a result of my participation in this program or traveling to or from the place where such a program will be taking place **whether caused by the negligence of the University or any third party.**

(4) I further agree to indemnify and hold harmless the University and covenant not to sue the University from all liability as a result of my participation in this program or traveling to or from the place whether such program will be taking place **whether caused by the negligence of the University or any third party.**
