

■ Any enrollment after January 30, 2013 will be subject to availability of space and requires payment of fees in full with application. ■ The balance of program fees will be billed to your student account in two billings, on March 21 and on April 8. Anyone not paid in full by May 8, 2013 will be charged a \$100 late fee. Failure to pay program fees or show proof of financial aid to cover the program cost before departure will result in not being able to participate in the program and forfeit of all monies paid. ■ Published fees are based on accommodation rates, administrative costs, and currency exchange rates in effect on the publication date of the brochure and may be subject to minor changes. Unless such increases exceed 10% of the published program cost, they are not grounds for withdrawal with refund.

Refund Policy. If a student withdraws prior to March 21, 2013 a full refund will be made less the 15% non-refundable deposit and any purchases made on behalf of student. If a student is forced to withdraw from the program after March 21, 2013 for a bona fide medical reason, a full refund of all payments will be made less the 15% deposit and non-refundable purchases. A certificate of incapacitating illness or injury from a licensed physician is necessary in making claims for refund. Refunds will not be made for any other circumstances or after the program begins. All notification of withdrawal must be made in writing and sent to the Study Away Office, International Center, Missouri State University.
