

Leadership in Action

July 8-July 23, 2026

LEAD. COMMUNICATE. CONNECT. YOUR PATH TO GLOBAL LEADERSHIP!

PROGRAM OVERVIEW

The International Leadership in Action Program is designed for international university students who want to enhance their English language, professional communication, and leadership skills. This intensive two-week program offers a comprehensive understanding of professional English communication and leadership principles while **fostering global awareness, cross-cultural competence, and practical leadership skills.**

Daily Immersive
Learning

Leadership &
Communication
Workshops

Networking with
Community &
Campus Leaders

Cultural Adventures
in Missouri

PROGRAM *Details*

LEADERSHIP WORKSHOPS

Introduces participants to local leaders, explores leadership theories and practices, **cultivates teamwork and decision-making skills**, and includes a group project on a local community or campus resource.

INTEGRATED ENGLISH SKILLS

Focuses on oral communication, pronunciation, and listening comprehension. Includes activities to strengthen reading, writing, speaking, grammar, and vocabulary through **interactive class settings and real-world applications**.

NOTE: A self-reported A2 (High Beginner; based on the Common European Framework) or higher level of English is recommended for participation in this program

CULTURAL IMMERSION & NETWORKING

Visit local organizations, volunteer in community projects, and enjoy cultural excursions such as Wonders of Wildlife Museum, Bass Pro Shops, and a one-day trip to Branson. Networking opportunities include a welcome social, conversation circles with American students, culture share events, and a certificate ceremony upon completion.
